# Genuine Accessories designed to keep you moving.

At Mercedes-Benz Vans we offer a wide range of accessories and optional features to enhance your driving experience, security and safety.

More than just 'accessories', these components have been developed to do their job as effectively as possible, while delivering quality that's built to last. They ensure your intelligent, powerfully connected Sprinter suits your specific requirements. They mean you're able to make your van work even harder within your fleet. And above all, they help to keep your business moving.

# Styling

It's the little touches and details that can make all the difference when it comes to your vehicle's overall aesthetic. Our range of styling options means you can give your Sprinter a unique look – either adding to the refinement of the vehicle's design, or giving it a sporty edge. Simply style it to suit your tastes.

**01** Fin attachments for bonnet

Add a sporty edge to the look of your Sprinter, with high-shine chrome-effect fin attachments for the air intakes on the bonnet. They're robust, dimensionally stable and precision-fit to look the part.

Item number  
A9078805400

£160.00

**02** Door handle recesses

The refined, chrome-design door handle recesses give the Sprinter a polished, individual look. The robust material is precision-tailored to the bodywork and protects the paintwork in the recess from scratches.

Item number  
A9077603000

£46.40

**03** Chrome highlights for radiator grille

Give the front of the Sprinter a unique and stylish look by adding to the radiator grille with our sleek chrome highlights.

£378.00

# Protection

You've worked hard to get your Sprinter, so naturally you'll want look after it. Our range of protective accessories helps to ensure your seats, mats, flooring and bodywork are shielded from day-to-day wear and tear, including the gradual build-up of dirt, moisture, scratches and more.

**01 All season mats**

Made from dirt and water-repellent rubber, these mats help protect the floor of the vehicle. Hardwearing and easy to clean, they're embossed with the Mercedes-Benz logo for a premium look and feel.

Item number  
A90768076019G33

£46.70

**02 Rep mats**

Our needle felt mats are durable and extremely hard wearing. They're also embroidered with Mercedes-Benz lettering for a sure sign of quality.

# Cargo and Storage

Ladders, tools, work gear, skis, bikes... if you need to load a little extra on to your Sprinter then we've got the fittings you need to feel confident carrying more. Each component has been precision-designed to fit seamlessly with your vehicle, and ensure that everything is held safely in place at all times.

**01 Basic carrier bars**

Our carrier bars offer even more flexibility for loading and transporting your bulkier equipment and tools. The robust aluminium bars can be fitted in any desired position of the C-rails, and can be locked at the outer caps, ensuring maximum possible protection against theft.

**Single bridge**  
Item number A9078900100

£93.50

**Three crossbars**  
Item number A9078900000

£251.00

**02 Ladder rack**

Designed to provide a secure way to transport your ladders, the Sprinter's rigid ladder rack has a unique anchorage made from wide and robust tensioning straps, with a simple yet safe ratchet mechanism.

Item number  
A907851090028

£169.00

**03 Attachment rails for roof carrier, A2 Standard**

Securely and easily transport large or heavy loads in no time at all with these mounting rails. The C-profile is made of a high-strength aluminium alloy and is characterised by its durability. You can anchor the rails to your Sprinter quickly using the simple rubber mounts. Various rail lengths are available.

Item number  
A9108900100

£176.00

**04 Cargo rack**

This light and durable load carrier provides an intelligent solution for roof cargo by deftly combining roof rack and basket. Manufactured from corrosion-resistant anodised aluminium, the cargo rack is built to last. And its aerodynamically optimised design means less wind resistance too.

Item number  
A9078500100

£650.00

**05** Load-securing rings, Triple-stud ring, set of 2

Our high-quality load-securing rings are ideal for securing your load flexibly and reliably in conjunction with your vehicle's load-securing rails (Airline rails). Special load-securing straps are available separately.

Item number  
A0009980067

£35.20

**06** Coat hanger

If you need crease-free clothes at the end of your journey then use our elegant and practical coat hanger to keep them straight. Our neatly designed accessory fits easily to the front head rests.

Item number  
A0008103400

£56.67

**07** Trailer coupling

The Sprinter's range of trailer couplings allows you to choose between different variants and components that are precision tailored to your individual requirements. Maximum towing capacities range from 2.0 to 3.5 t, with a drawbar load of up to 140 kg.

Item number

# Safety

Keep yourself – and your passengers – safe and sound. We invest £4.6 billion a year in R&D to ensure our vehicles are fitted with the latest safety equipment. And to complement your Sprinter's integrated safety features, we offer the reassurance of child seats for all ages as well as a high-visibility jacket.

04

**01 KIDFIX XP child seat, with ISOFIT**

Suitable for children between the ages of 3-12 (15-36kg bodyweight), the KIDFIX XP child seat attaches securely with an ISOFIT fitting – or with the vehicle’s three-point seat belt if ISOFIT isn’t available.

Large padded wings, courtesy of the energy-absorbing XP-PAD, enhance side impact protection while the seat’s V-shaped backrest, adjustable belt guides and headrest mean that the seat will grow with your child. The backrest can even be removed to transform the KIDFIX XP into a booster seat.

Replacement covers are available separately. Weight of seat approx. 7.6kg.

Item number  
A0009704902

£238.10

**02 DUO plus child seat, with ISOFIX**

Children between 9 months to 4 years (weighing 9-18kg) will enjoy travelling in our DUO plus child seat. Easily adjustable to accommodate sitting, reclining and sleeping, as well as keeping up with your child as they grow, the seat offers optimum protection and features a top-tether strap as standard. It can be fitted with the ISOFIX attachment system, or used with the vehicle’s three-point seat belt.

Item number  
A0009704302

£291.43

**03 BABY-SAFE plus II child seat, with automatic child seat recognition**

Designed for the smallest of passengers (0-13kg), our BABY-SAFE plus II seat includes a patented D-Sip system to improve side-impact protection, easily-adjustable head restraints, an adjustable carrying handle, a curved base for rocking or feeding and removable, washable seat covers. What’s more, the seat integrates with your vehicle to ensure automatic recognition and airbag shut off.

Item number  
A0009703802

£249.05

**04 Fluorescent jacket, compact**

This bright yellow jacket with fluorescent strips makes you more visible to others, for optimum safety in every situation. Rolled for compact storage and supplied in an individual fabric bag, it’s ideal for stowage compartments in vehicle doors.

Item number  
A0005833500

£7.08

# Fixings

Ensure all your extra cargo is kept securely in place with our fixings accessories. We've everything you need to fully equip your Sprinter and get your load from A to B without any issues.

#### 01 Load-securing strap

Secure heavy objects in place easily and safely using our lashing strap. It is ideal for use with load-securing rings and comprises two parts: the strap (4.1 m) and ratchet wrench (0.4 m) with S-hook made from steel. Please observe the vehicle's total permissible roof load when loading.
