Mercedes-Benz X-Class

Prices effective from June 2020.

Mercedes-Benz

Genuine Accessories designed to keep you moving.

At Mercedes-Benz we offer a wide range of accessories and optional features to enhance your driving experience, security and safety.

More than just 'accessories', these components have been developed to do their job as effectively as possible, while delivering quality that's built to last. They ensure your game-changing X-Class is able to neatly accommodate whatever you need it to – tools and work materials, or sports and leisure gear. They mean you're able to make your vehicle as individual as you are. And above all, they help to keep busy lives and businesses moving.

Wheels

At Mercedes-Benz Vans, we understand that the right wheels have the ability to give your X-Class its own distinct look, which in turn reflects your own individual style. So, if you'd like to stamp your own personality on your vehicle, then choose a set of wheels from the following options.

01

02

03

01 17" light-alloy wheel

02 18" light-alloy wheel

03 19" light-alloy wheel

Aside from just looking great, all our X-Class wheels are precision-tailored to your vehicle in terms of load profile and dimensions. They are subjected to an extensive development and testing programme to ensure safety and high performance. They have to pass a variety of endurance tests, based on exacting Mercedes-Benz guidelines, all of which exceed the highest levels of statutory requirements.

Styling

It's the little touches and details that can make all the difference when it comes to your vehicle's overall aesthetic. Our range of styling options means you can give your X-Class a unique look – either adding to the refinement of the vehicle's design, or giving it a sporty edge. Simply style it to suit your taste.

01 Styling bar for stand-alone or with soft tonneau cover

The solid and scratch-resistant styling bar in polished stainless steel is the perfect accompaniment to the X-Class' striking and robust design, giving the vehicle an even more progressive appearance. Mercedes-Benz lettering underscores its value, and the styling bar also includes an integrated 3rd brake light.

Soft cover ordered separately.

03 Sports bar

The sports bar, painted in the same colour as your vehicle, complements the X-Class' design and gives the pickup a dynamic and sporty look. Highly robust and durable, the sports bar is fitted to the load compartment sill of the bed and extends to the end of the bed, where it also helps to protect the edge. There's an integrated third brake lamp and the sports bar can easily be combined with other pickup accessories.

The bed lighting is not affected by the Sports Bar. Available in all standard body colours. Roll cover available separately.

A47086092009291

£608.79[^] +VAT

04 Hardtop canopy

The hardtop canopy extends the load compartment and protects from theft. Thanks to the use of high-quality materials, it is robust, long-lasting and keeps both moisture and dust away from the load. The lines of the hardtop, which are painted in the same colour as the vehicle, are an excellent complement to the overall design.

All standard body colours available.

With roof bars

A47079002009291

£2,275.45[^] +VAT

05 Tailgate spoiler for sports bar

Our tailgate spoiler adds a sporty, aerodynamic edge to the X-Class. Attached seamlessly to the Sports bar with precision design, it'll give your vehicle an even more purposeful look.

Not compatible with roll cover, available in other colours.

Item number
A47086091009291

£91.00[^] +VAT

06 Chrome Side-Bar Kits

These side bars, made from polished stainless steel, have a tube diameter of 76 mm and give your X-Class a stylish and striking side profile, which further enhances the pickup's character. The running boards provide a secure and non-slip footing when entering and exiting, or when loading and unloading – with a maximum load capacity of 150 kg.

Also available in black.

Safety

Protection

Our range of protective accessories helps to ensure the main load space is protected from the elements, and the flooring and bodywork are shielded from day-to-day wear and tear – including the gradual build-up of dirt and moisture.

01 Soft tonneau cover

Protect your load from rain, direct sunlight and prying eyes with our weather-resistant soft cover. The PVC tarpaulin is tear-resistant and water-repellent. Additional fastenings and cross struts ensure that the load is protected and secure, then simply roll up the cover to access your gear quickly.

10 Bed liner kit

The weather-resistant bed liner kit provides effective protection for the bed from paint damage. The black liner, which is exactly adapted to the bed, is made from hardened plastic and runs below the load compartment sill. It is compatible with the bed covers, the lashing rails and the load anchoring rail system at the side panels.

Item number
A4708511500

£209.76[^] +VAT

11 Water & dust defence kit

Our water and dust protection kit consists of three seals at the tailgate. One is vertically attached to the edge of the bed on the left of the tailgate and another on the right. The third seal is secured horizontally to the underside of the tailgate so that it lies against the bottom of the bed when the tailgate is closed, in order to protect against water or dust.

12 Underride guard

If you plan on taking the X-Class off-road regularly, then protect the engine, transmission and exhaust system with our three-piece technical underride guard. Made from robust stainless steel, its convenient openings make it easy to carry out repairs and maintenance work.

This product it is not compatible with and cannot be fitted to the V6 diesel variant 470.252 -X350 d 4Matic.

Item number
A4705200000

£207.48[^] +VAT

13 14 Mud flap kits

Combat the dirt from wet and muddy roads, or the stones from construction sites, with our mud flaps. Providing protection for the sides, rear and underbody of your vehicle, the mud flaps also help to shield following traffic from loose chippings, spray and dirt. The mud flaps are precision-tailored to the contours of the vehicle for a seamless finish that doesn't affect the X-Class' sporty appearance. The high-quality material used is extremely hard-wearing, durable and UV resistant.

Technology

You need to keep moving - and our technology accessories can help, giving you all the power and information you need at your fingertips.

01 USB power charger

Our USB power charger's intelligent 'smart charging' and output of up to 2×2.4 A allows you to power up your mobile quickly and conveniently via the cigarette lighter while you're on the move. It includes protection against overheating, as well as subtly illuminated USB ports that make the charger easy to use in the dark.

£412.50 ^{+VAT}

Cargo and Storage

Tools, work gear, skis, bikes... if you need to load a little extra on to your X-Class then we've got the fittings and features you need to feel confident carrying more. Each component has been precision-designed to fit seamlessly with your vehicle, and ensure that everything can be safely transported in style.

01 Locking storage box

The lockable storage box provides plenty of room for your tools or leisure gear with its 156 litre storage volume and protects stored objects from weather or theft. It is scratch-resistant, water-resistant, robust and long-lasting. Since it can also withstand high-pressure cleaning equipment and car washes, the box can be conveniently cleaned. It is fitted in the load anchoring rail system and is easily adjustable.

A4705800000

£252.07 ^{+VAT}

02 Basic carrier bars for roof rails

Our multifunctional, lockable aluminium bars, with their newly developed aerodynamic profile, significantly reduce wind noise and integrate perfectly with your X-Class. Precision-tailored to the body of your vehicle, the bars offer the basis for a range of Mercedes-Benz transport accessories: ski and snowboard rack, bicycle rack or roof boxes. The bars also offer easy, tool-free fitting thanks to an integral quick-release mechanism.

A0008900700

£39.80 ^{+VAT}

Safety

Keep yourself – and your passengers – safe and sound. We invest £4.6 billion a year in R&D to ensure our vehicles are fitted with the latest safety equipment. And to complement your X-Class's integrated safety features, we offer the reassurance of child seats for all ages as well as a high-visibility jacket.

01

04

01 KIDFIX XP child seat, with ISOFIT

Suitable for children between the ages of 3-12 (15-36kg bodyweight), the KIDFIX XP child seat attaches securely with an ISOFIT fitting – or with the vehicle’s three-point seat belt if ISOFIT isn’t available.

Large padded wings, courtesy of the energy-absorbing XP-PAD, enhance side impact protection while the seat’s V-shaped backrest, adjustable belt guides and headrest mean that the seat will grow with your child. The backrest can even be removed to transform the KIDFIX XP into a booster seat.

Replacement covers are available separately. Weight of seat approx. 7.6kg.

£238.10

02 DUO plus child seat, with ISOFIX

Children between 9 months to 4 years (weighing 9-18kg) will enjoy travelling in our DUO plus child seat. Easily adjustable to accommodate sitting, reclining and sleeping, as well as keeping up with your child as they grow, the seat offers optimum protection and features a top-tether strap as standard. It can be fitted with the ISOFIX attachment system, or used with the vehicle’s three-point seat belt.

Item number
A0009704302

£291.43

03 BABY-SAFE plus II child seat, with automatic child seat recognition

Designed for the smallest of passengers (0-13kg), our BABY-SAFE plus II seat includes a patented D-Sip system to improve side-impact protection, easily-adjustable head restraints, an adjustable carrying handle, a curved base for rocking or feeding and removable, washable seat covers. What’s more, the seat integrates with your vehicle to ensure automatic recognition and airbag shut off.
