

# Citan Price List January 2019.

Mercedes-Benz  
Vans. Born to run.

# Welcome

**Innovative, award-winning and more affordable than you might think. The Citan may be the smallest van in the Mercedes-Benz range, but it really is big on the things that matter.**

Delivering superior comfort and driver convenience, Bluetooth® and USB connectivity, Tardis-like cabin stowage and an impressive fuel consumption of up to 65.7 mpg\*, the Citan has everything you need to keep your business moving.

Offering a level of detail that meets almost any business requirement, it's only right you get all the information you need before ordering. Over the following pages you'll find model prices and a comprehensive breakdown of standard and optional equipment.

Then, when you're ready, simply contact your Mercedes-Benz Dealer to place your order.

## Small van. Big support.

You won't believe how good the Citan is, or how much support it offers, until you've experienced it for yourself. Now's the time to get behind the wheel.

**Contact your local Dealer  
to book a test drive.**

This document is for guidance only and must be used in conjunction with a configuration tool prior to final specification decisions and vehicle quotations being prepared and accepted. Changes to individual option availability and combinations may occur depending on vehicle specification choices and the continuing evolution and adaptation of our product range. These changes may not be immediately reflected in this document as they occur, but will be introduced at the next revision opportunity.

\*Stock vehicles available only. Please check with your local dealer for availability.

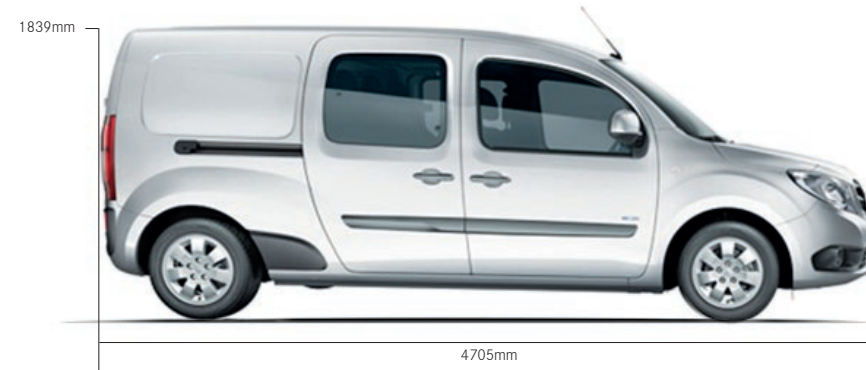

# Choose your van

Panel Van

Crew Van

Category		Load length (mm)*	Maximum load area width (mm)	Load area width between wheel arches (mm)	Load area height (mm)	Load area volume (m <sup>3</sup> )	No. of seats
Panel Van	Compact	1,369	1,460	1,219	1,258	2.4	2
	Long	1,753	1,460	1,219	1,258	3.1	2
	Extra-long	2,137	1,460	1,219	1,258	3.8	2
Crew Van	Extra-long	1,337-2,137	1,460	1,219	1,258	2.4-3.7	5

\*Dimensions measured on vehicle floor, and includes 370mm for the space beneath the front seats.

# Weights and payloads

Category	Model / Body style	Engine / Transmission	Gross vehicle weight (kg)	Gross train weight (kg)	Payload (kg)
Panel Van	109CDI Compact	Manual	1,810	2,935	370
	109CDI Long	Manual	1,950	3,000	482
	109CDI Extra-long	Manual	2,200	3,250	638
	111CDI Long	Manual	1,950	3,000	458
	111CDI Extra-long	Manual	2,200	3,250	614
	112 DCT Long	Automatic	1,810	2,935	354
	112 Long	Manual	1,920	2,970	484
Crew Van	109CDI Extra-long	Manual	2200	3,250	592
	111CDI Extra-long	Manual	2,200	3,250	568

Please note that on Long Variants Gross Vehicle Weight (and therefore payload) can be increased by using option code: XK7

Information in accordance with Regulation (EU) 1230/2012 in the version valid at the time of printing. (With driver 75 kg, all operating fluids and 90% tank filling.)  
Original accessories can have relevant vehicle characteristics such as weight, rolling and air resistance, and have an influence on the values of consumption and driving performance in addition to traffic and weather conditions.
