

FUSO PARTSPARTNER

OFFERS FOR COMMERCIAL CUSTOMERS

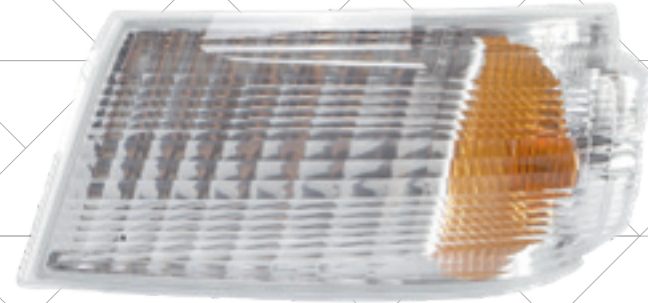

All prices are recommended net prices in GBP. Each Mercedes-Benz Trucks Authorised Workshop is entitled to set retail prices at its sole discretion. The parts dealer of the Mercedes-Benz Trucks Authorised Workshop presents the final price quote. The parts are available at the Authorised Mercedes-Benz Trucks Service Centres in United Kingdom until August 31st 2022, or while stocks last. This proposal does not constitute an offer within the meaning of the law, and all data contained in it is for information purposes only. Please consult the parts dealer to select the correct part for a specific vehicle. The photos in the brochure are illustrative photos and may differ depending on the catalogue number of a given product group. All texts, photos, illustrations and graphics are protected under copyright and other laws on the protection of intellectual property. All marks and brands in this brochure are legally protected trademarks of Daimler Truck AG. We reserve the right to printing errors.

HEAD LAMP LH/RH

The main function of the FUSO Genuine Head Lamps is to illuminate the route immediately in front of the vehicle for the drivers' safety, to detect obstacles and for faster movement, as well as for the safety of other road users in general and especially in poor visibility conditions.
