All figures are based on a standard specification. The addition of factory options may affect CO<sub>2</sub> emissions and corresponding Road Fund Licence. The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. Figures shown are for comparability purposes; only compare with other vans tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including Body fitted, factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <https://www.Mercedes-Benz.co.uk/vans/en/WLTP>

# Mercedes-Benz Finance options.

## Choose an agreement that suits you with Mercedes-Benz Finance.

At Mercedes-Benz Finance we understand what it takes to run a modern-day business. Because of this, we have a number of finance options ready to suit your business needs.

### Agility (Personal Contract Plan)

Agility (Personal Contract Plan) is our most flexible method of financing. You drive the vehicle over a fixed term, with fixed monthly payments. And at the end of the agreement, you decide whether you want to:

- Buy another Mercedes-Benz.
- Purchase your van by paying the Optional Purchase payment (balloon) and Option to Purchase Fee.
- Return it to us.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

[For more information about Agility.](#)

### Hire Purchase

A straightforward route to ownership. This product allows you to spread the overall cost of your Mercedes-Benz over a fixed term.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

[For more information on Hire Purchase.](#)

### Operating Lease

A solution for those who want to drive one of our vehicles over a specific term, with fixed monthly rentals and without the commitment of ownership of the vehicle.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

[For more information on Operating Lease.](#)

### Contract Hire

A solution for those who want to drive one of our vans over a specific term, with fixed monthly rentals and without the need to commit to ownership of the vehicle. This includes the cost of your Vehicle Excise Duty (also known as Road Fund Licence) for the duration of your agreement.

As a business customer, your vehicle can also appear as an asset on your balance sheet.

[For more information on Contract Hire.](#)

### Finance Lease

Finance Lease gives you the ability to enjoy driving a Mercedes-Benz Van for a fixed time without the option of ownership. With this option you lease your vehicle for a fixed period and for fixed monthly rentals.

As a limited company or PLC customer, your vehicle can also appear as an asset on your balance sheet.

# The Mercedes-Benz App.

Monitor your van's status, location and security via your smartphone.

RETURN TO START

ASSISTANCE & AFTERCARE		FREE
<b>Telediagnostics &amp; Maintenance Management</b>	Receive a notification when wear is detected on diagnostic-capable parts such as brake pads and get advance notice of when a service is due allowing you to plan your workshop visit well in advance to minimise any impact on your business.	
<b>Remote Vehicle Diagnostics</b>	Your Dealer can assess your van's condition remotely allowing them to check if any other repairs are required ahead of a service.	
<b>Accident Recovery &amp; Breakdown Management</b>	Once an emergency call has been resolved or if you request breakdown assistance, further support is offered to help recover your van or to tow it to a Mercedes-Benz Service outlet.	
<b>Software updates</b>	Over-the-air software updates are sent directly to your van's head unit. This means you'll always know your software is up to date and you'll save time by avoiding additional workshop visits.	
VEHICLE SUPERVISION		FREE FOR 3 YEARS
<b>Vehicle Tracker</b>	See your van's location on the map in your app, making it easy to call or message your driver and re-route them to fit in another delivery or pick-up if a quicker route is available. The tracker is factory fitted equipment so it can't be easily removed if stolen.	
<b>Parked Vehicle Locator</b>	If you're within 1 mile of your van's parked location, the app can generate the most convenient walking route - very handy if you're in unfamiliar surroundings and on a busy schedule.	
REMOTE ACCESS		FREE FOR 3 YEARS
<b>Remote Retrieval of Vehicle Status</b>	Use your app to check on fuel level, tyre pressure, mileage and trip information. Not only does this help you plan your day's journeys, it can save you admin time on tasks such as logging your mileage for expenses.	
<b>Remote Door Locking &amp; Unlocking</b>	The app allows you to check if your van is locked. If you lock your keys in the van or need to give another driver access, you can do it via the app, from any distance away. For added peace of mind, you'll receive an email notification when your vehicle is unlocked.
